

# CARPENTRY SPECIALISTS OF THE YEAR

Complete Carpentry & Maintenance Ltd

Based in Crawley, Complete Carpentry & Maintenance is a leading home improvement and maintenance company serving Southeast England. It is a one-stop-shop undertaking all construction, renovation, and property maintenance services to ensure all projects are delivered under one roof. Its services include kitchens, bathrooms, loft conversions, flooring, carpentry, joinery, plastering, windows, painting, restoration and repairs, and much more. The company has a trusted team of expert carpenters who can take on projects of all sizes, helping clients design their ideas, choose their materials, and build it to the highest functional and aesthetic standard possible.

The judges were particularly impressed by the quality of workmanship involved in each project they complete, which is only made possible by collaborating with the best tradesmen and subcontractors available. The experienced and reactive team are able to competently tackle any project and address all kinds of construction-related issues. What's more, they develop genuine and trusting relationships with clients by providing impartial advice throughout the project from conception to completion. They also keep clients well-informed via on-going reviews and walk-throughs to help them feel involved in the process.
